

- Eco Sanitation provided tote(s)/dumpster must be out for collection no later than 5 AM on scheduled collection day. Driver will not return to an address where garbage was not out in time for the initial collection.
- Garbage must be bagged inside the container. Occasionally we understand that there may be increases in garbage, any excess trash **MUST** be bagged and placed neatly next to the container. Repeated excess collections may result in a discontinuation of collection outside of the provided container. Any garbage outside the container that the driver cannot collect due to weight or size will be left.
- Animal waste must be placed in a plastic bag and sealed shut before placing in container.
- Grass trimmings, yard or crop waste must be bagged. Branches will only be collected if inside the container and less than 2'. Branches may not be collected if they interfere with dumping the container.

Items will not be collected on the regular garbage route.
